2. In order to facilitate this transition and to ensure continuity in CIA participation in the work of the NESC Staff, I desire now to designate [redacted] as an alternate CIA member of that Staff. [redacted] will not be available for extensive participation in the 1957 Net Evaluation, although he may be of occasional assistance to Dr. Montague. The object of his designation at this time is to enable him to attend such briefings and Staff discussions as would best prepare him to relieve Dr. Montague at the conclusion of the 1957 Net Evaluation.
